However we need not notify you if the government publicises the change to fees and charges; and
 - (c) notice of any other changes to the Channel Documentation will be given in writing or electronically at least 30 days before the day on which the change takes effect (or any other shorter notice period in accordance with law and applicable industry codes).

7.3 For example, We may give less notice or no notice, if that is reasonable to manage an immediate and material risk (for example, if We need to restore or maintain the security of Our systems or individual accounts).

A requirement in these NAB Digital Business Channels Terms and Conditions for You to send Us a notice, request, document or other communication in writing does not permit You to send the relevant notice, request, document or other communication electronically unless the relevant requirement expressly provides that the notice, request, document or other communication may be sent electronically as well as in writing.

8.4 A Channel Notice is deemed to be received by You when the NAB sends the notice via Your NAB Channel. Otherwise, You agree to the rules as to time and place of sending and receipt of notices, Channel Notices and emails set out in the User Guides.

We do not have to give you advance notice if it is reasonable necessary for Us to act quickly to manage a risk or comply with our obligations under the BPAY Scheme or any relevant law. However, if appropriate we will give you a general reason for exercising Our rights under this clause within a reasonable time of doing so.

9.3 All moneys due and owing to Us in connection with Your NAB Channel or the Service, if not already due and payable, will immediately become due and payable after a termination takes effect under this clause 9.

 - We have reason to believe that an Authorisation Method or any component of it is being used without Your authority; or
 - We have reason to believe that You are engaging in unlawful activity.
- 15.5 All Messages containing records of transactions are provisional records only unless We specifically refer to them as statements.

16. Authentication of Messages received by Us through Your NAB Channel

- 16.1 Subject to any other relevant terms in the Schedule, We may assume that any access to Your NAB Channel and use of a Service has been made by You or one of Your Users on Your behalf. Acting reasonably, We are authorised to act on every Message We receive through Your NAB Channel which appears to have been sent by You or on Your behalf, without further reference or notice to, or consent from, You, regardless of the actual identity or authority of the person accessing and operating Your NAB Channel or sending the Message. Our records of Your NAB Channel transactions shall be prima facie evidence of such access and operation. We will also not be liable to You if We act on Messages which are the result of forgery, fraud or error or are sent in excess of the authority of any User sending that Message, except to the extent that We are liable due to Our fraud, misconduct, or unlawful or negligent acts or omissions.
- 16.2 We shall not be obliged to act on any Message which appears, in Our reasonable opinion, to be contrary to or to require action which is contrary to any law, regulation, government, court or regulatory body's order, rule, or direction, or in circumstances where We deem inadvisable to act on the Message.
- 16.3 If an instruction in a Message is contrary to any other arrangement or instruction existing between You and Us, We are authorised, but not obliged, to act on that instruction without further reference or notice to, or consent from, You.

17. Disclosures

- 17.1 You agree that We may use or disclose any information about You, any of Your Payment Instructions or use of Your NAB Channel and the Services to any Other Bank or Regulatory Authority for any purpose which We consider reasonably necessary or appropriate in connection with any Regulation or the administration of Your NAB Channel or the Services. You agree to provide any such information to Us if We ask You to, and to promptly procure the consent of any such person to the disclosure of that information if We so require.
- 17.2 NAB and Our agents will take all reasonable precautions to keep Personal Information secure and protect it under their privacy policies. Your Personal Information may be disclosed by us to third parties to facilitate the provision of Services, to monitor compliance with these Terms and Conditions and for anti-money laundering, detection of crime, legal, compliance and fraud prevention purposes.

Part B – Payments Services (Domestic and International Payments) Terms and Conditions

Direct Debit Instruction means a Payment Instruction to debit funds from an Account by direct debit.

Domestic Payments Service means the service that enables You to make an Australian dollar funds transfer from an Account to a Beneficiary Account that is held at a financial institution in Australia.

Formal Limits means limits determined by Us in Our discretion from time to time which is the maximum aggregate value of:

- (a) all Direct Debit Instructions; or
- (b) all Payment Instructions other than Direct Debit Instructions;

which We will accept from You through Your NAB Channel to be executed on any one day.

Major Currency means any foreign currency that is described as a major currency in the relevant User Guide.

NAB Group means Us and each of Our subsidiaries and related entities.

Payment Authorisation Rules means:

- (a) any Payment Limits;
- (b) any payment value range requirements You requested in Your Channel Forms approved by Us; and
- (c) any Transaction Signing Threshold.

Payment Limits means the limits, if any, that apply to:

- (a) the value of all Payment Instructions; and
- (b) if applicable, the value of all Payment Instructions of a particular type

that You can send through Your NAB Channel to be processed on any one day.

Payments Services means the Domestic Payments Service, the International Payments Service and the BPAY Payments Service.

Source Account means the Account You have nominated to be debited with the amount of a Payment Instruction.

Transaction Signing Threshold means the threshold value, if any, that is set by Us or agreed between You and Us such that if:

- (a) the value of a single Payment Instruction; or
- (b) the total value of all Payment Instructions contained in the one Message from You, exceeds that threshold, We will require additional authorisation from You before processing the Payment Instruction or Payment Instructions.

Urgent Payment Instruction (RTGS – Real Time Gross Settlement) means a Payment Instruction that You ask Us to process urgently so that the beneficiary's financial institution receives value on the same Business Day it is authorised.

19. Payment Instructions

- 19.1 (a) We will process a Payment Instruction only if:
- (i) in the case of a payment to which Cut-Off Times apply, it is received by Us before the Cut-Off Time for the Business Day on which the instruction states it is to be processed;
 - (ii) it is authorised by an Authorisation Method that You have agreed We can use as evidence to authenticate that Payment Instruction as being sent with Your authority;
 - (iii) in Our reasonable opinion, it complies with the Payment Authorisation Rules (if applicable to Your Channel); and
 - (iv) in Our reasonable opinion, it is otherwise in accordance with the Channel Documentation;
- (b) Acting reasonably, We may refuse to process a Payment Instruction if:
- (i) the Payment Instruction, or the value of all the Payment Instructions in one Message from You, would exceed:
 - (a) a Formal Limit for the relevant day; or
 - (b) applicable Payment Limits; or
 - (c) any other limit (as set by us) applicable to that particular type of payment.In this case, a Message will be made available to You describing the reason for the rejection; or
 - (ii) the balance of cleared funds in the Source Account is not at least equal to the value of the Payment Instruction (and, if there is more than one Payment Instruction in a Message from You, at least equal to the total value

of all those Payment Instructions) either by way of cleared credit funds or by way of sufficient margin where the Source Account has an overdraft limit. If there are insufficient cleared funds in the Source Account, We are authorised by You and may choose, but are not required, to act on some or all of the Payment Instructions at Our discretion (acting reasonably) and without reference to You.

19.2 In some circumstances, even if We accept Your Payment Instruction, it may not be possible for Us to carry it out (for example, because it has been rejected by a third party). In this case a Message will be made available to You describing the reason for the rejection.

19.3 You acknowledge and agree that:

- (a) If in Our reasonable opinion, a Payment Instruction received by Us appears to have been authorised by an Authorisation Method that You have agreed We can use as evidence to authenticate that Payment Instruction as being sent with Your authority, We may act on the Payment Instruction without making any further inquiry as to its validity or authenticity; and
- (b) You are solely responsible for ensuring that a Payment Instruction (including without limitation the details of the Beneficiary Account and the Source Account) is correct. If You get the Beneficiary Account details wrong, We may not be able to recover the money.

For payments where You enter a BSB and account number (or did so at the time of saving the payee in Your list of beneficiaries), We don't check whether the person named in Your instruction actually has an account with the BSB and account number You give us, nor does the institution receiving the payment instruction. An incorrect BSB or account number could result in payment to the wrong person and may result in loss of funds.

19.4 If You send Us an Urgent Payment Instruction (RTGS – Real Time Gross Settlement), We will use Our best endeavours to process it so that the beneficiary's financial institution receives value for the amount of the Payment Instruction on the same Business Day on which it was authorised.

20. Payments to a PayID

This clause applies where Your account supports payment to a PayID.

20.1 General Provisions

For payments made to a PayID, We will check the PayID service for the PayID Name attached to that PayID and will display that name to You. You must check that the PayID Name that is shown matches the person that You intend to pay. Incorrect details could result in a payment to the wrong account and may result in loss of Your funds.

20.2 How We process future dated payments to a PayID

We may attempt to make the payment at any time on the scheduled payment date. As a result You should ensure that You have sufficient funds available throughout the day to satisfy the withdrawal. We may decline to process the payment if, at the time We try to make the payment You don't have sufficient funds in Your account.

On the scheduled payment day, before We try to make the payment, We will check the PayID service to confirm whether the PayID is still registered and whether there has been a change in the PayID Name since the time You set the payment up. We won't be able to process the payment if the PayID is no longer registered, and We won't process the payment if the PayID Name has changed. You should check the payment status at the end of the day that the payment was scheduled to be made to confirm whether it has gone through.

21. Additional Terms and Conditions for International Payments Service

21.1 The foreign currency rates available to You depend on the payment transaction type and the value of the International Payment Instruction and are subject to change or withdrawal at any time without notice.

21.2 If the payment referred to in Your International Payment Instruction is to be made:

- (a) in the same currency as the currency of Your Account, You authorise Us to debit Your Account with the amount of the payment referred to in Your International Payment Instruction; or
- (b) in a currency different to the currency of Your Account, and Your International Payment Instruction states 'Real Time Rate' or 'Bank to Convert', You authorise Us to debit Your Account with an amount that is equal to the payment currency amount referred to in Your International Payment Instruction applying a currency exchange rate determined as follows:
 - (i) where the 'Real Time Rate' is selected, the rate published by Us and accepted by You; or
 - (ii) where 'Bank to Convert' is selected, by Us applying a currency exchange rate determined by Us.

21.3 Foreign currency transactions involve the risk of loss because of movement in exchange rates or interest rates. It is important that You understand these risks and that it is Your responsibility that You do so before entering into a foreign currency transaction and understand that any loss will be passed onto and will be payable by You.

21.4 In addition to any fees and charges We may impose on You for using the International Payments Service, if You have elected to pay any fees and charges levied by an overseas bank, We will instruct the overseas bank accordingly. You authorise Us to debit any applicable international bank fees and charges to Your Account.

In some instances, beyond NAB's control, one or more overseas banks may deduct their costs from the money You send rather than claiming from NAB as instructed, which will result in the beneficiary receiving a lesser amount than expected. If you have elected for the overseas bank charges to be paid by the beneficiary, then such charges will be deducted from the funds transmitted to the beneficiary.

21.5 An International Payment Instruction cannot be created or authorised if, in Our reasonable opinion, the Payment Instruction does not comply with the restrictions or requirements set out in the User Guides, including in relation to currency conversion limits and Cut-Off Times. Any attempted creation or authorisation will not be processed by Us.

21.6 You agree that:

- (a) Other Banks and one or more of Our branches may be involved in connection with the provision of the International Payments Service to You by Us. Those branches and Other Banks may in each case be local or overseas and the Other Banks may or may not be appointed by Us;
- (b) if We choose to use a preferred Other Bank, We may receive a commission from the Other Bank for doing so; and
- (c) to the maximum extent permitted by applicable law, We are not liable for loss of any kind arising in connection with the involvement of Other Banks or their acts or omissions, where the Other Banks are not appointed by Us (except to the extent any loss is caused by Our fraud, negligence or misconduct).

21.7 The International Payments Service may be affected directly or indirectly by Regulations. Regulations may be those of any place where We or any Other Bank operates, or with which the International Payments Service has some direct or indirect connection, or to which or from which a payment or instruction is made or received or in which some other thing is done, or may be the Regulations of or applicable to the currency of any payment. Regulations include, but are not limited to, those which affect, restrict, prohibit or otherwise render unlawful transactions, payments or dealings with assets, any person, group or entity which may or may not include those having a connection with certain countries, area, individuals, groups, bodies, entities, materials, items, substances, political or religious systems, beliefs or convictions.

The International Payments Service may be interrupted, prevented, delayed or otherwise adversely affected, either in whole or in part, by reason of a Regulation including, but not limited to, where We consider in good faith, or any Other Bank considers, or a Regulatory Authority asserts, that a Regulation does apply (each an "Adverse Effect"). You should be aware that You may suffer loss if an Adverse Effect occurs. We may, but have no obligation, to contest any act of any Regulatory Authority.

22. Liability

22.1 Without prejudice to clause 6, We will not be responsible for and exclude all liability for loss or damage with respect to:

- (a) acts or omissions of agents, overseas banks or third parties involved in effecting a Payment Instruction;
- (b) loss, delay, destruction or mutilation of any form of oral, written or electronic message given in connection with a Payment Instruction; and
- (c) Us acting or failing to act on any Payment Instruction sent to Us purporting to be, but which is not in fact, from a person authorised by You to do so, except to the extent Our own fraud, misconduct, or negligent or unlawful acts or omissions cause loss or damage.

- (b) A reference to Account Information being "accessed" is a reference to that Account Information being queried, viewed through a browser or downloaded using Your NAB Channel. The nature of the access that is available will depend on the functionality made available by Us in respect of the relevant Account Information. For example, Account Information contained in NAI Files can only be downloaded, not queried or viewed through Your browser.

24. Account Reporting Service

- 24.1 Features and requirements for using the Account Reporting Service are described in the User Guides.

25. Stop Cheque Service

- 25.1 Except to the extent, We are liable due to Our fraud, misconduct, or unlawful or negligent acts or omissions, You agree that:
- (a) the Stop Cheque Service is in addition to Your right to communicate a countermand request to a responsible officer at Our branch where the Account is held;
- (b) a Stop Cheque Request is only effective as a countermand to Us when it is made in the manner and at the times provided in these Account Services Terms and Conditions and We may not be able to act on a Stop Cheque Request made in the correct manner and time until the following Business Day; and
- (c) if Your Stop Cheque request cannot be made in the manner and at the times provided in these Account Services Terms and Conditions or conditions or You do not wish to take the risk of it not being processed until the following Business Day, You should instead communicate a countermand request to a responsible officer at Our branch where the Account is held as soon as possible.
- 25.2 Each use of the Stop Cheque Service must be authorised by an Authorisation Method that You have agreed We can use as evidence to authenticate a Stop Cheque Request as being sent with Your authority.
- 25.3 You agree that:
- (a) a Stop Cheque Request sent by You on any given day will only be processed if it is received by Us during the applicable processing times for that day (the "Processing Period");
- (b) if a Stop Cheque Request sent by You is received by Us outside the Processing Period for the day of receipt the Stop Cheque Request will be automatically rejected and will not be an effective countermand instruction to Us and We will not be aware of or keep a record of the contents of the Stop Cheque Request. (We will leave a Message on Your NAB Channel to this effect for collection by You); and
- (c) if, for any reason, the Stop Cheque Service fails, is unavailable or does not perform as expected, then clauses 6.4 and 6.5 apply.
- 25.4 (a) All Stop Cheque Requests sent to Us through Your NAB Channel shall be deemed to have been properly issued on Your behalf if they are authorised by an Authorisation that You have agreed We can use as evidence to authenticate a Stop Cheque Request as being sent with Your authority.

- (b) In acting upon such Stop Cheque Requests, We will not in any way be liable to You (except to the extent of Our fraud, negligence or misconduct) for processing those Stop Cheques Requests. We are under no duty to make any inquiry as to whether such a Stop Cheque Request has in fact been issued by You or with Your authority. We will also not be liable to You if We act on a Stop Cheque Request which is the result of forgery, fraud or error or is given in excess of the authority of any relevant User.
- 25.5 We shall not be obliged to act upon any Stop Cheque Request which appears, in Our reasonable opinion, to be contrary to any applicable Regulation or in circumstances which We deem inadvisable to effect such instructions.
- 25.6 Without limiting clause 6.7, You indemnify and continue to hold Us indemnified in full for any claims or demands made by any person against Us as a result of Our having acted in accordance with instructions contained in a Stop Cheque Request using Your NAB Channel (except to the extent of Our fraud, negligence or misconduct).

27. Scope and permitted use of the CVOL Service

28.3 Images and Lists Not a Representation by Us

Images and Associated Items Lists are simply records of Vouchers handled by Us and do not constitute any representation by Us that the Vouchers are genuine or will be honoured or will result in a provisional or final debit or credit to an Account.

29. Availability and Access

29.1 CVOL Service Performance

Where an interruption to the provision of the CVOL Service arises for reasons outside Our control, We will use reasonable endeavours to ensure that the interruption is rectified.

- 31.12 We will provide an account statement for Nominated Accounts to Account Holders who are Personal Customers every six months. Account Holders have the option of requesting more frequent statements and may also request statements at any time (subject to any applicable fees, the amount and nature of which are detailed in the terms and conditions relating to the relevant Nominated Accounts).
- 31.13 We reserve the right to levy fees and charges for the operation of Personal EFT Transactions on Your NAB Channel. The amount and nature of these fees and charges, if any, are detailed in the Schedule or separate fees and charges disclosure document that We provide to You.
- 31.14 We warrant that We will comply with the ePayments Code for all Personal EFT Transactions using Your NAB Channel.

32 Mistaken internet payments

- 32.1 This clause applies to mistaken internet payments using NAB Connect. It sets out important rules where the Sending ADI and the Receiving ADI have subscribed to the ePayments Code and
- a user reports a mistaken internet payment to NAB as the Sending ADI; or
 - NAB as the Receiving ADI is notified by a Sending ADI that funds have been credited to Your account as the result of a mistaken internet payment by its customer.

This clause does not apply to BPAY payments or International Payments.

In this clause **mistaken internet payment** means where funds are paid into an account of an unintended recipient because the user entered or selected the wrong BSB number and/or account number or the wrong PayID or a PayID which belongs to the wrong person as the result of the user's error, or the user being advised of the wrong details. **ADI** stands for Authorised Deposit taking Institution, which has the same meaning as that term in the Banking Act 1959(Cth). **The Receiving ADI** is the ADI whose customer received an internet banking payment and the **Sending ADI** is the ADI whose customer has made an internet payment.

User's obligation

- 32.2 A user:
- (a) must take care to enter or select the correct information about the intended recipient of the funds, required when making a payment. It is not always possible for NAB to recover funds from the person who incorrectly receives them.
 - (b) should report a mistaken internet payment as soon as possible to the NAB Connect Client Centre on 1300 888 413. NAB will acknowledge receipt of the report and the user should record or retain this acknowledgement.

32.3 Our obligations as a Sending ADI when We receive the user's report:

(a) *Obligation to investigate*

NAB will investigate a user's report of a mistaken internet payment.

(b) *Obligation to report*

NAB will tell the user about the outcome of a user's report of a mistaken internet payment:

- (i) in writing, and
- (ii) within 30 business days of the day the report was made.

Process where NAB and the Receiving ADI are not satisfied a mistaken internet payment has occurred.

When a user makes a report both, NAB and the Receiving ADI need to be satisfied a mistaken internet payment has occurred. If NAB is not reasonably satisfied a mistaken internet payment has occurred, NAB will not take any further action and will tell You in accordance with 32.3 (b). If the Receiving ADI receives a request from NAB to return funds to NAB, but is not satisfied that a mistaken internet payment has occurred, the Receiving ADI may seek their customer's consent to return the mistaken internet payment funds to You. If consent is provided to the Receiving ADI, NAB will return the mistaken internet payments to You as soon as practicable.

Process where NAB and the Receiving ADI are satisfied a mistaken internet payment has occurred and there are insufficient funds.

This process applies where both NAB and the Receiving ADI are satisfied a mistaken internet payment has occurred. If NAB is satisfied that a mistaken internet payment has occurred, NAB will send the Receiving ADI a request for the return of the funds. NAB is reliant on the Receiving ADI advising NAB if there are sufficient funds in their customer's account to cover the amount of the mistaken internet payment. If NAB is advised there are insufficient funds in the customer's account, NAB is reliant on the Receiving ADI using its reasonable endeavours to recover the funds for You from their customer (e.g. payment by instalments).

Where NAB and the Receiving ADI are satisfied a mistaken internet payment has occurred and there are sufficient funds.

This table describes the obligation of Receiving ADI and NAB if they are satisfied a mistaken internet payment has occurred and there are sufficient credit funds available in the account of the unintended recipient to cover the payment. A different process applies depending on when the user reported the mistaken internet payment to NAB.

User reports the mistaken internet payment to NAB	Obligation of Receiving ADI after receiving NAB's request to return funds	NAB's obligation to pay You
Within 10 business days of making the payment	Funds must be returned to NAB within 5 business days (if practicable) of receiving NAB's request to return the funds or such longer period as is necessary up to a maximum of 10 business days.	To return the funds to You as soon as practicable
Between 10 business days and 7 months of making the payment	Complete investigation within 10 business days of receiving NAB's request to return the funds. If satisfied a mistaken internet payment has occurred: (i) prevent their customer withdrawing the mistaken internet payment funds for a further 10 business days; (ii) notify their customer they have a period of 10 business days to establish they are entitled to the funds. (This period commences on the date their customer was prevented from withdrawing the funds); and (iii) return funds to NAB within 2 business days of the end of 10-day period described in (ii) if their customer has not established they are entitled to the funds.	To return the funds to You as soon as practicable
After 7 months	Seek the consent of their customer to return funds. With the consent of their customer return the funds to NAB.	To return the funds to You as soon as practicable

Schedule – NAB Direct Link

The following additional Terms and Conditions apply to NAB Direct Link. This Schedule should be read together with the NAB Digital Business Channels Terms and Conditions.

Communications Protocols

Communication between the Customer and NAB will occur over the Internet via SFTP/HTTP/S or such other protocol as agreed. The Customer will be the initiator of all electronic message exchanges with NAB. In other words, the Customer will send messages to NAB using the Channel and will check for and download messages from NAB.

Authorisation Methods

Digital Certificate Authentication

Mutual authentication is via Server SSL digital certificate and Client digital certificate. Unless otherwise agreed in writing, Messages submitted by the Customer through the Channel must be digitally signed and encrypted (using the supplied digital certificate) prior to submission to NAB. On receipt, NAB will authenticate the Message as a Verified Communication. Unless otherwise agreed in writing, Messages provided by NAB will be digitally signed and encrypted prior to making the Message available for collection by the customer through the Channel.

Security Violation

(a) Mutual responsibility

When a possible security violation is detected by either party, the party that discovered the abnormality shall without delay inform the other party. The other party will immediately verify the authenticity of the request via contact details provided at the time of setup.

(b) Compromised security

Where one of the parties becomes aware or suspects that a method of communicating messages with NAB has become compromised, that party must without delay inform the other party and NAB agrees that it will cease processing and acting on the messages sent using that method of communication. If the primary method of communicating messages is compromised (being either the file transfer utility or the mode of connection itself), the alternative method of communication, advised to you at the time of setup, will be used to provide continuity of service. If no alternative method was communicated, NAB will discuss alternative methods with you.

Receipt of Messages and Confirmations

(a) We may not receive Messages You send to Us through Your NAB Channel for reasons beyond Our reasonable control including but not limited to mechanical, software, computer, telecommunications or electronic failure. Upon receipt of a Message which We authenticate by using an Authorisation Method as appearing to have been sent with Your Authority ("Verified Communication"), We will send You a message ("Confirmation Message") within 30 - 45 minutes stating that We have received that Message.

- (b) Without limiting clauses 15 and 16 of the NAB Digital Business Channels Terms and Conditions, where We have reasonable grounds to believe that a Message received through Your NAB Channel may pose a threat to the security of the channel or of Our systems, We may choose to send no Confirmation Message or other Message to You through Your NAB Channel. In such circumstances We will take reasonable steps to contact You to advise You of this issue.
- (c) We will not be taken to have received a Message only because the Message has entered Our information system. You should not assume that We have received a Message until You receive a Confirmation Message or a confirmation by another means from Us in respect of that Message. You should not assume that We will attempt to execute an instruction in a Message unless the Confirmation Message or a confirmation We send by another means states that We will do so.
- (d) Notwithstanding anything in paragraphs (a), (b) and (c) We may rely on and act upon a Message as soon as We have:
 - (i) received the Message; and
 - (ii) if We have agreed to authenticate that type of Message using an Authorisation Method, authenticated the Message as a Verified Communication.
- (e) Upon receipt of a Confirmation Message, You must reconcile that Confirmation Message with the Messages that You have sent to Us. Where after such reconciliation You believe that We have received a Message not authorised by You or any of Your Users, You must promptly notify Us of this fact and contact us in reply to the Confirmation Message stating that the Message which was the subject of the Confirmation Message should not be relied on by Us ("Error Message").
- (f) Where You send Us a Message and You do not receive a Confirmation Message from Us within 30 - 45 minutes, then:
 - (i) You must not assume that We have received that Message, and You accept the risk of non-receipt of the Message by Us, unless You receive a confirmation by another means from Us; and
 - (ii) You must promptly notify Us of the failure to receive a Confirmation Message.
- (g) In respect of Messages We send to You:
 - (i) a Message We send You is to be treated as having been received by You as soon as the Message is available for collection by You from Your NAB Channel, whether or not You have actually collected the Message.
 - (ii) Once a Message is treated as having been received by You, You are responsible for acting on and keeping a record of the Message.

We may notify You in writing that a particular type of Message which You can transmit through Your NAB Channel will not be authenticated using an Authorisation Method if We have reasonable grounds for this action.

Access Control

You are responsible for user access to Your systems that will allow messages to be sent to or received from NAB.

Identification of Direct Link Users

You are responsible for controlling access to Direct Link and agree to implement security measures to prevent unauthorised access.

You warrant that all Payment Instructions that You send through the Channel are sent by, or at the direction of, Your nominated Account Signatories.

You must keep an audit trail of access to Your Direct Link Channel. Upon request, You must provide to us detail of the person/s who have initiated a Payment Instruction through the Channel.

“Account Signatories” means those persons that You have authorised to transact on Your Account, as notified to NAB by way of completion of an Account Authority Card for the account or through any other method of notice that NAB accepts for account authorities.

Licensed Software

If We provide You with licensed software in conjunction with the Direct Link service:

1. We grant You a non-exclusive limited licence to use the Licensed Software described above solely for the purposes contemplated by, and for the duration of the application of Your NAB Digital Business Channels Terms and Conditions. You acknowledge that the ownership of all intellectual property rights in the Licensed Software remains with Us (or Our licensor) and You agree to use, and to ensure that Users use, the Licensed Software in accordance with all instructions and restrictions:
 - (a) in Your NAB Digital Business Channels Terms and Conditions; or
 - (b) which accompany the Licensed Software; or
 - (c) which may be issued by Us from time to time.
2. When Your Direct Link Service is terminated, You must promptly return to Us all copies of the Licensed Software, and any documentation We have provided or made available to You or any User (“Documentation”) relating to the Licensed Software, in Your possession or control or (if expressly directed by Us in writing to do so) destroy those copies and Documentation.
3. We may change the Licensed Software (including changes by way of upgrades) by giving written notice to You from time to time, which notice will amend the Schedule accordingly. You must comply with all reasonable directions We give You from time to time in connection with changes to Licensed Software (including changes by way of upgrades). If any variation made has an adverse impact on You, You may terminate Your Direct Link Service. You may need to pay any outstanding fees and charges.
4. When any software ceases to be Licensed Software because of a notice given by Us under clause 9.1 of the NAB Digital Business Channels Terms and Conditions:
 - (a) the licence from Us to You to use that Formerly Licensed Software terminates;
 - (b) You must promptly return to Us all copies of that Formerly Licensed Software and related Documentation in Your possession or control or (if expressly directed by Us in writing to do so) destroy those copies.
5. Except to the extent required by law, We make no warranty to You in relation to the adequacy or performance of the Licensed Software.
6. Where required, You consent to NAB downloading (or otherwise providing) the Licensed Software to the Your IT system. We are not liable for any loss that the You may suffer as a result of Us downloading (or otherwise providing) the Licensed Software to Your IT system (except to the extent caused by Our fraud, negligence or misconduct).
7. Where You request NAB to download any Licensed Software onto the IT system of a User or a third party, You indemnify Us for any loss suffered by that person, or any claim made against that person arising out of Us downloading the Licensed Software (except to the extent any loss is caused by Our fraud, negligence or misconduct).
8. You must not provide access to the Licensed Software or related Documentation to any person (“Recipient”) unless each of the following conditions are met to Our reasonable satisfaction prior to such access being granted (if at all):
 - (a) disclosure to the Recipient facilitates Your access to the Channel; and
 - (b) the Recipient is not Our competitor; and
 - (c) the Recipient provides us with confidentiality undertakings approved by Us; and
 - (d) We have provided Our prior written consent to the proposed access.

NAB Direct Link fees and charges

NAB Direct Link fees and charges schedule can be obtained from www.nab.com.au/directlinkfees.

Schedule – NAB Connect

The following additional Terms and Conditions apply to NAB Connect. This Schedule should be read together with the NAB Digital Business Channels Terms and Conditions:

A. User Types

There are three types of Users for NAB Connect: General Users, Authorising Users, and Administrators. The capabilities allocated to each User type are as specified in this Schedule, the User Guides and any other relevant Channel Documentation. **Note:** Administrators have the same access as an Authorising User with additional powers relating to self-service amendments.

B. Payment Instructions

1. A Payment Instruction created by a General User may be cancelled prior to it being authorised by an Authorising User. After a Payment Instruction has been authorised by an Authorising User it cannot be cancelled, but up to the Cut-Off Time (if applicable) for the Business Day You wish the Payment Instruction to be processed You may request Us to recall the Payment Instruction and in exceptional circumstances We may agree to attempt such a recall, although there is no guarantee We will be able to do so (for example, We will not be able to effect a recall where We have begun to process the Payment Instruction). NPP Payments cannot be recalled.
2. In some cases, Your Users will be able to select from a range of different payment types when creating a payment. Your Users should carefully consider which payment type best suits Your requirements for each payment, having regard to (i) processing times; (ii) how much data You wish to send with the payment and (iii) the fee for each payment type. Some payment types may incur higher fees than others.

Payments to a PayID can only be made as an Osko Payment or NPP Payment. So, where You address a payment to a PayID (rather than a BSB and account number), We may not present You with other payment types for that payment.

C. Messages

NAB Connect is built for internet browser-based access by You. A reference in the NAB Digital Business Channels Terms and Conditions to Us sending a Message (other than an Alert) to You means Us making the information in the Message available on the NAB Connect server for Your internet browser to collect and present on Your computer when Your browser next accesses the NAB Connect URL. Except as stated in clause 8.2(a) of the NAB Digital Business Channels Terms and Conditions, We are not obliged to let You know that a Message has been made available on the NAB Connect server. If We are obliged to do so, We will send You an Alert to let You know that You need to access NAB Connect and check Your Messages.

D. Additional warranties – Administrator powers

You warrant that an Administrator is authorised by You to effect changes or amendments to NAB Connect through the self-service amendment function. They will have the power to:

- (a) Request the appointment or removal of Authorising Users and General Users and to request the suspension of these users.
- (b) Modify users access to available Products and existing services.

- (m) An Administrator will only have the right to apply for, allocate and manage access to additional services (available through NAB Connect) which include the ability to make a payment (Additional Payment Services) where You have granted them the right to do so (Delegation). Where a Delegation has been made, You confirm that:

- (i) the Administrator has been delegated the authority to, independently, apply for, allocate and manage the Additional Payment Services on Your behalf;
- (ii) the Administrator may do in Your name and on Your behalf everything necessary or expedient, including signing documents, to give effect to the Delegation;
- (iii) all acts, matters and things done by the Administrator in exercising their powers under the Delegation will be as good and valid as if they had been done by You;
- (iv) You agree to ratify and confirm everything the Delegate does in exercising their powers under the Delegation;
- (v) it is your responsibility to immediately inform NAB of any changes to the Delegation including the revocation or replacement of the Delegation; and
- (vi) you are liable for any actions undertaken under the Delegation except to the extent it is due to NAB's fraud, misconduct, or unlawful or negligent acts or omissions.

Notes:

We will advise your Administrator of the new services and functionality introduced to NAB Connect and NAB will add, remove or change Access to services and/or accounts where necessary to ensure new functionality is readily available.

In circumstances where Dual Administration is activated and You want to allow Your Administrator to be able to perform self-service amendment functions for NAB Connect, You should elect a minimum of two Administrators to be authorised for self-service functions. For self-service amendments to be enacted in this scenario, authorisation from at least two Administrators will be required in order to approve the self-service amendment request.

The Delegation can be made using the NAB Connect amendment form or any other form approved by NAB. Where an Administrator has been granted the right to apply for, allocate and manage additional services (available through NAB Connect), including Additional Payment Services, their ability to do so will be restricted to You and Your NAB Connect Facility. Any ability to do so does not extend to any other customer who may have granted You NAB Connect access to their accounts. The Additional Payment Services may have fees or charges associated with them.

E. Role of General Users

You agree that General Users' use of NAB Connect is subject to the following:

1. General Users do not provide instructions to NAB directly on Your behalf and do not deal with NAB directly on Your behalf. They are not Your agent for the purpose of dealing with NAB.
2. Where a General User undertakes a task on NAB Connect (including where they create, modify or cancel Payment Instructions, or create or modify beneficiary biller details and/or payment templates), they do so for the sole purpose of assisting Authorising Users and Administrators.

3. Any Payment Instructions created by General Users and which have been appropriately approved by Authorising Users and/or Administrators are considered to have been provided to NAB, on Your behalf, by the relevant Authorising Users and/or Administrators.

Where a General Users has an eligible NAB card issued in their name:

- (a) they can view and manage that card within NAB Connect (such as changing their PIN, view transactions and temporarily blocking their card); and
- (a) NAB is authorised to send communications to the General Users, in respect to that card, via a Message within their NAB Connect Channel.

This card functionality is only available in relation to eligible cards issued by NAB and where the functionality has been made available to the General User's NAB Connect Channel. The eligible cards may not relate to accounts or other products linked to the General User's NAB Connect Channel.

F. NAB Trade Finance Online Service Terms and Conditions

Use of the NAB Trade Finance Online Service is subject to:

- (a) these Terms and Conditions; and
- (b) the NAB Digital Business Channels Terms and Conditions.

1. Meaning of words

Unless otherwise provided, words which are defined in the NAB Connect Terms and Conditions have the same meaning in this document and, for the avoidance of doubt, "Message" in the NAB Connect Terms and Conditions includes Trade Instructions and "Service" in the NAB Connect Terms and Conditions includes the NAB Trade Finance Online Service.

NAB Trade Finance Online Service means the electronic service provided through NAB Connect used to provide Trade Instructions and through which Trade Information is made available.

Trade Information means information pertaining to those of Your Trade Finance transactions which NAB makes available to You through the NAB Trade Finance Online Service.

Trade Instruction means an instruction to NAB in relation to the preparation and/or processing of a particular Import or Export Letter of Credit, Import or Export Collection, or Trade Refinance item or any other trade-related document in relation to which NAB may agree to accept instructions via the Service from time to time.

2. Use of the Service

- 2.1 You must nominate, in a form acceptable to us, the Authorising Users that You wish to enable to authorise Trade Instructions through the Service. You must also nominate the total number of Authorising Users required to authorise each individual Trade Instruction. For example, You may specify that each individual Trade Instruction requires authorisation by two Authorising Users in order to be processed.

- 2.2 You authorise NAB to act upon Trade Instructions which appear to have been authorised by the requisite number of Your Authorising Users and You agree that, in doing so, NAB will not in any way be liable for any loss or damage You suffer or incur as a result of effecting those Trade Instructions (except to the extent any loss or damage is caused by NAB's fraud, negligence or misconduct). In these circumstances, acting reasonably, NAB is under no duty to make any inquiry as to whether those Trade Instructions have in fact been so issued by You or with Your authority. NAB will also not be liable to You if NAB acts on International Trade Instructions which are the result of forgery, fraud or error or are given in excess of the authority of Your personnel issuing the same (except in circumstances of NAB's fraud, negligence or misconduct).
- 2.3 NAB shall not be obliged to act upon any Trade Instruction which appears, in NAB's reasonable opinion, to be contrary to any applicable law, regulation, government, court or regulatory body's order, rule, or direction, or in circumstances which NAB deems inadvisable to effect such instructions.
- 2.4 You will obtain all necessary governmental approvals and comply with all requirements (including those relating to taxation and exchange control), as may be reasonably necessary from time to time in relation to any Trade Instruction issued or processed using the Service.

3. Processing Instructions

- 3.1 You acknowledge that:
- (a) a Trade Instruction may not be effected on the same day on which it is received by NAB; and
 - (b) Trade Instructions will be batched at various intervals during any Business Day, as determined by NAB from time to time; however, should any Trade Instruction be received by NAB after any predetermined cut-off Time, the Trade Instruction may not be processed until the following Business Day.

4. Fees and Charges

You must pay all applicable fees and charges as set out in the NAB Connect Fees and Charges Schedule and the "Guide to Fees and Charges for International Trade Services."

G. Invoice Finance Service Terms and Conditions

Use of the Invoice Finance Service is subject to:

- (a) these Terms and Conditions; and
- (b) the NAB Digital Business Channels Terms and Conditions, including this Schedule.

1. Meaning of words

Unless otherwise provided, words which are defined in the NAB Digital Business Channels Terms and Conditions have the same meaning in these Invoice Finance Service Terms and Conditions.

Invoice Finance Information means information, including transaction details, in relation to Your NAB

Invoice Finance Facility, which is made available to You through the Invoice Finance Service.

Invoice Finance Service means the electronic service provided through NAB Connect which provides You, and Authorising Users nominated by You, with the ability to access and operate Your NAB Invoice Finance Facility. It is a "Service" for the purposes of the NAB Digital Business Channels Terms and Conditions.

NAB Invoice Finance Facility means a separate facility that We may make available to You (which may or must be accessed through the Invoice Finance Service) under which We may, among other things, purchase certain debts from You.

2. Use of the Invoice Finance Service

- 2.1 You must nominate, in a manner acceptable to Us, each Authorising User who is to be authorised to use the Invoice Finance Service, and one Administrator in connection with the Invoice Finance Service.
- 2.2 Your Administrator may, and is authorised by You to, request the appointment, removal or suspension of Authorising Users and allocate to and change an Authorising User's usage rights in relation to the Invoice Finance Service. You may change Your Administrator in connection with the Invoice Finance Service by giving us at least 5 business days' prior written notice.
- 2.3 Without limiting clause 16 of Part A of the NAB Digital Business Channels Terms and Conditions, acting reasonably, We are authorised to act on every Message We receive through the Invoice Finance Service which appears to have been sent by You or on Your behalf, without further reference or notice to, or consent from, You, regardless of the actual identity or authority of the person accessing and operating the Invoice Finance Service or sending the Message.
- 2.4 We will provide you with the ability to retrieve and download Invoice Finance Information through the Invoice Finance Service. Once Invoice Finance Information is retrieved and downloaded by You, We can no longer verify its integrity.

H. PayID creation and maintenance

1. About PayID

- 1.1. PayID is the NPP Payment addressing service that enables payers to make NPP Payments to payees using an alternative identifier instead of a BSB and account number. Once a PayID is created, any payments which a person makes to that PayID will be directed to the account to which that PayID is linked ('the Linked Account').
- 1.2. Unless You have elected otherwise, Your Administrator can determine which of Your Users will have authority to create, manage, lock, transfer and close Your PayIDs.
- 1.3. You are not obliged to create or use a PayID for Your account. You can continue to operate Your account without a PayID, in which case payments to Your account will require Your BSB and account number.
- 1.4. Each PayID can only be linked to one account at a time, but an account can have multiple PayIDs linked to it.

2. Creating and maintaining Your PayID

2.1. Creating Your PayID

- (a) You can create and maintain Your PayID through NAB Connect. We will not create a PayID for You without Your prior consent.
- (b) In creating a PayID, You represent and warrant that:
 - (i) You own or are otherwise authorised to use the PayID;
 - (ii) the PayID is current, accurate and complete; and
 - (iii) You agree to Your PayID being registered in the PayID service.
- (c) We can refuse Your request to create a PayID where:
 - (i) We have not yet completed verifying Your identity; or
 - (ii) We are not satisfied that You own or are otherwise authorised to use that PayID; or
 - (iii) We reasonably believe that the PayID is or has been or will be used for a fraudulent purpose; or
 - (iv) We are required to do so by law or by the operator of the New Payments Platform; or
 - (v) the PayID is already created.
- (d) Where Your attempt to create a PayID fails because that PayID is already created by someone else in the PayID service, We will try to assist to resolve this by contacting the financial institution or other entity that registered that PayID, who is then required to contact the customer to which the PayID is registered to establish if that customer has the right to use the PayID. If that person cannot establish that they are the rightful owner of the PayID, their financial institution is required to close that PayID.

A PayID Name must be registered with Your PayID. When You create Your PayID, We will either:

- (a) issue You a PayID Name; or
- (b) enable You to select Your own PayID Name from a list We provide You.

We will not permit selection of a PayID Name that We consider could mislead or deceive a payer into sending You NPP Payments intended for another payee.

2.3. Privacy and disclosure

- (a) By creating Your PayID You acknowledge that You consent to Our recording of Your PayID, PayID Name and account details in the PayID service to enable payers to make NPP Payments to You, and to the extent that such recording and use constitutes a disclosure and use of personal information within the meaning of the Privacy Law, consent to that disclosure and use.

- (b) Disclosure of PayID Name and PayIDs to third parties

To help payers identify who they are paying, Your PayID Name may be displayed alongside Your PayID to any person that enters Your PayID as the address for an intended payment. For example, if Your mobile number is Your PayID, then any person who enters Your mobile number in the payee address field of their internet banking may see Your PayID Name attached to that mobile number.

- (c) PayID and joint accounts

Where You hold a joint account, other accountholders may be able to see messages and notifications associated with payments and other messages addressed to Your PayID.

2.4. Transferring Your PayID to a different account

- (a) You can transfer Your PayID to another account with us, or to an account with another financial institution. You can do this through the 'Update PayID' function in NAB Connect.
- (b) A transfer of Your PayID to another account with us will generally be effective immediately.
- (c) A transfer of Your PayID to another financial institution is completed by that institution. You will need to follow that financial institution's PayID creation process.
- (d) Until the transfer is completed, payment to Your PayID will continue to be directed to Your current Linked Account with us. If the other financial institution does not complete the transfer within 14 days, the transfer will be deemed to be ineffective and Your PayID will remain with Your current Linked Account. You can try to transfer Your PayID again at any time.

2.5. Maintaining PayID details

- (a) You must keep Your PayID details current, accurate and complete.
- (b) You must close your PayID immediately if You no longer own or have authority to use Your PayID.

2.6. Locking Your PayID

- (a) You may wish to temporarily stop payments to Your PayID. You can do this by locking Your PayID through the 'Update PayID' function in NAB Connect.
- (b) We can lock Your PayID at any time without notice if We reasonably believe that Your PayID has been used for fraudulent purposes.
- (c) You will not be able to transfer your PayID or receive payments addressed to Your PayID while Your PayID is locked.

2.7. Closing a PayID

- (a) You can close Your PayID through the 'Update PayID' function in NAB Connect. Closing a PayID results in removal of Your PayID from the PayID service.

- (b) We can close Your PayID where:
 - (i) We are not satisfied that You own or are otherwise authorised to use that PayID; or
 - (ii) We reasonably believe that the PayID is or has been used for a fraudulent purpose; or
 - (iii) Your PayID has remained locked for a period that we reasonably consider to be excessive; or
 - (iv) We are required to do so by law or by the operator of the New Payments Platform.
- (c) We will automatically close Your PayID if the Linked Account for that PayID is closed.

I. **BPAY Payments**

NAB Connect can be used to make Bpay Payments. The following terms and conditions apply to Bpay Payments made through NAB Connect.

1. **Meaning of Words and Interpretation**

Biller has the meaning given to it in clause 2.1.

2. **BPAY Payments Service**

2.1 We are a member of the BPAY Scheme.

The BPAY Scheme is an electronic payments scheme through which You can ask Us to make payments on Your behalf to organisations (“Billers”) who tell You that You can make payments to them through the BPAY Scheme (BPAY Payments).

We will tell You if We are no longer a Member of the BPAY Scheme.

2.2 When You tell Us to carry out a BPAY Payment Instruction, You must give Us the information specified in clause 5.1 below and any other information We request through Your NAB Channel. We will then debit the Source Account with the value of that BPAY Payment Instruction.

3. **How to use the BPAY Scheme**

3.1 BPAY Payments can be made from a Source Account provided:

- (a) We will allow transfers from that Account where;
 - (i) there are sufficient cleared funds (as described in clause 19 of the NAB Digital Business Channels Terms and Conditions) available in the Source Account to meet the value of the BPAY Payment Instruction; or
 - (ii) We choose to provide the necessary cleared funds to You (in accordance with clause 19) to enable the BPAY Payment Instruction to be processed; and
- (b) the BPAY Payment Instruction is authorised, by an Authorisation Method that You have agreed We can use as evidence to authenticate that Payment Instruction as being sent with Your authority, before the Cut-Off Time for the Business Day on which You state it is to be processed.

3.2 In addition to these BPAY Payments Service Terms and Conditions You must comply with the terms and conditions applying to the Source Account from which You request Us to debit the value of a BPAY Payment Instruction.

These BPAY Payments Service Terms and Conditions prevail over the terms and conditions that apply to the Source Account to the extent of any inconsistency between them.

3.3 When You use a credit card to pay a bill through the BPAY Scheme, We treat that payment as a credit card purchase transaction.

3.4 You acknowledge that the receipt by a Biller of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between You and that Biller.

4. **Valid Payment Instruction**

4.1 We will treat Your BPAY Payment Instruction as valid if it is authorised by an Authorisation Method as described in clause 3.1(b) and the BPAY Payment is otherwise in accordance with these BPAY Payments Service Terms and Conditions.

5. **Information You must give Us**

5.1 The information You must give Us to enable Us to carry out Your BPAY Payment Instruction is the information requested by Us through Your NAB Channel. This information includes the appropriate Biller code, customer reference number and amount to be paid.

- 5.2 We:
- (a) are not obliged to; and
 - (b) may not be able to carry out Your BPAY Payment Instruction if You do not give Us all of the information referred to in clause 5.1 or if any of the information You give Us is inaccurate or incorrect.

6. Payments

- 6.1 We will not accept an order from You to stop a BPAY Payment Instruction if You have authorised the Instruction in accordance with these BPAY Payments Service Terms and Conditions and We have started to process it.
- 6.2 You should notify Us immediately if You:
- become aware of any delays or mistakes in processing Your BPAY Instruction;
 - did not authorise a BPAY Payment Instruction that appears to have been made by You; or
 - think that You have been fraudulently induced to send Us a BPAY Payment Instruction for processing.
- 6.3 You must be careful to ensure that You tell Us the correct amount You wish to pay. If You instruct Us to carry out a BPAY Payment Instruction that has been authorised by You in accordance with the requirements of the Payment Services (Domestic and International Payments) Terms and Conditions set out in clauses 18 through to 21, and We have carried out Your instruction but You later discover that the amount You told Us to pay was less than the amount You needed to pay, You can send another BPAY Payment Instruction for the difference between the amount actually paid to a Biller and the amount You needed to pay.

7. Liability – Mistaken Payments, unauthorised transactions and fraud

- 7.1 We will attempt to make sure that Your BPAY Payment Instructions are processed promptly by the participants in the BPAY Scheme, including those Billers to whom Your BPAY Payments are to be made. You must immediately tell Us if any of the matters specified in clause 6.2 occurs.

We will attempt to rectify any such matters in relation to Your BPAY Payment Instructions in the way described in this clause 7.1. However, except as set out in this clause 7.1 and clause 6, We will not be liable for any loss or damage You suffer as a result of using the BPAY Scheme, except to the extent Our own misconduct, fraud or negligent or unlawful acts or omissions cause such loss or damage.

The longer the delay between when You tell us of the error and the date You authorised Your BPAY Payment Instruction, the more difficult it may be to perform any error correction. For example, We or Your Biller may not have sufficient records or information available to investigate the error. If this is the case, You may need to demonstrate that an error has occurred, based on Your

own records, or liaise directly with the Biller to correct the error.

Mistaken Payments

- 7.2 If a BPAY Payment is made to a person, or for an amount, which is not in accordance with Your BPAY Payment Instructions (if any), and the Source Account was debited for the amount of that payment, We will credit that amount to the Source Account. However, if You were responsible for a mistake, resulting in that payment and We cannot recover the amount of that payment from the person who received it within 20 Business Days of Us attempting to do so, You must pay Us that amount.

Unauthorised Payments

- 7.3 If a BPAY Payment is made in accordance with a BPAY Payment Instruction, which appeared to Us to be from You or on Your behalf (because the appropriate Authorisation Method was used) but for which You did not give Your authority, We will credit the Source Account with the amount of that unauthorised payment. However, You must pay Us the amount of that unauthorised payment if:
- (a) We cannot recover within 20 Business Days of Our attempting to do so, that amount from the person who received it; and
 - (b) the BPAY Payment was made as a result of a BPAY Payment Instruction and Your User did not comply with Our prescribed security procedures (including those concerning the relevant Authorisation Method) for using Your NAB Channel for such BPAY Payment Instructions.

Fraudulent Payments

- 7.4 If a BPAY Payment is induced by the fraud of a person involved in the BPAY Scheme, then that person should refund You the amount of the fraud-induced payment. However, if that person does not refund You the amount of the fraud-induced payment, You must bear the loss unless some other person involved in the BPAY Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund You the amount of the fraud-induced payment.

Resolution principles

- 7.5 If a BPAY Payment You have made falls within the type described in clause 7.3 and also clauses 7.2 or 7.4, then We will apply the principles stated in clause 7.3.

If a BPAY Payment You have made falls within both the types described in clauses 7.2 and 7.4, then We will apply the principles stated in clause 7.4.

No “chargebacks”

- 7.6 Except where a BPAY Payment is a mistaken payment referred to in clause 7.2, an unauthorised payment referred to in clause 7.3, or a fraudulent payment referred to in clause 7.4, BPAY Payment Instructions that We have carried out and have resulted in BPAY Payments being made are irrevocable. No refunds will

be provided through the BPAY Scheme where You have a dispute with the Biller about any goods or services You may have agreed to acquire from the Biller. Any dispute must be resolved with the Biller.

Important Even where Your BPAY Payment has been made using a credit card or a charge card, no “chargeback” rights will be available under the card scheme rules.

Indemnity

7.7 You indemnify Us against any loss or damage We may suffer due to any claim, demand or action of any kind brought against Us arising directly or indirectly because You or any of Your Users:

- (a) did not observe any of Your obligations under these BPAY Payments Service Terms and Conditions or under the remaining Channel Documentation; or
- (b) acted negligently or fraudulently in connection with these BPAY Payments Service Terms and Conditions except to the extent any loss or damage is caused by Our fraud, negligence or misconduct.

Biller Consent

7.8 If You tell Us that a BPAY Payment made from the Source Account is unauthorised, You must first give Us Your written consent addressed to the Biller who received that BPAY Payment, consenting to Us obtaining from the Biller information about Your account with that Biller or the BPAY Payment, including Your customer reference number and such information as We reasonably require to investigate the BPAY Payment. If You do not give Us that consent, the Biller may not be permitted under law to disclose to Us the information We need to investigate or rectify that BPAY Payment.

8. Suspension

8.1 Subject to our obligations under clause 11.6 of Part A, We may suspend Your right to participate in the BPAY Scheme by notice either with immediate effect or with effect from the date set out in the notice. However, if this is a Small Business Contract, we will only exercise Our rights by giving at least 30 days’ notice. at any time We may suspend your participation in the Bpay Scheme if:

We do not have to give you advance notice if it is reasonable necessary for Us to act quickly to manage a risk or comply with Our obligations under the BPAY Scheme. However, if appropriate we will give you a general reason for exercising our rights under this clause within a reasonable time of doing so.

9. When a Biller cannot process a BPAY Payment

9.1 If We are advised that Your BPAY Payment Instruction cannot be processed by a Biller, We will:

- (a) advise You of this;
- (b) credit the Source Account with the value of the BPAY Payment Instruction; and
- (c) take all reasonable steps to assist You to have the BPAY Payment Instruction carried out as quickly as possible.
