What is the Third Party authorised to do?

Access financial information

The Third Party can access financial information about the Facility (and information on any card issued to a cardholder to operate the Facility) including, but not limited to the:

- balance of the Facility
- amount of available credit
- payments (if any) due on the Facility
- information relating to transactions on the Facility
- receive copies of statements on the Facility

Internet Banking Access

- By completing Section C, you can opt to also give the Third Party Authority access to the Business Credit Cards on Internet banking.
- Debit restrictions will apply to all Business Credit Cards linked to the Third Party Authorised NAB ID. This means that they will not be able to transact using the Cards via their Internet Banking
- If Section C is not completed the Third Party Authority will not be able to access the Business Credit Cards on Internet Banking.

Make changes to the Facility

The Third Party can make various changes to the Facility, including, but not limited to making a request to:

- close a cardholder's card
- decrease a cardholder's credit limit

Access rewards information

The third party can access points information on statements issued in connection with each card and the Facility.

The third party is not authorised to:

- increase the Customer's financial obligations in any way
- redeem NAB Rewards points on a NAB Rewards Business Signature Card Facility

This Third Party Authority will remain in effect until it is revoked by the Customer, the third party, or the Facility is closed, whichever is the earliest.

Section C Internet Banking Access

Authorised User Nomination

Complete this section to allow the nominated authorised third party authority to access the business credit card facility or cardholders on internet banking.

Nominated Accounts

Please nominate which Credit Cards you want the third party authority to have access to.

- ☐ Link all Business Credit Cards (including the Facility) to the Third Party's Internet Banking. Alternatively, list which individual Business Credit Cards are to be linked.
