FX Transactions can be used by customers who are: <ul style="list-style-type: none">Importers or exporters where invoice payments are quoted in foreign currencies.Borrowers under loans where principal and/or interest is denominated or quoted in foreign currencies.Investors in overseas assets that are denominated in foreign currencies.Repatriating overseas profits. Paying or receiving other foreign currency amounts.	A foreign exchange spot transaction provides the ability for a customer to: <ul style="list-style-type: none">Buy or sell one currency against selling/buying another currency at an agreed price with a settlement date within two business days of the transaction date.
	Consumer financial situation	Product attributes
	A customer seeking to make a foreign exchange transaction within the next two business days. A customer that will have the ability to settle the transaction.	A foreign exchange spot transaction requires physical delivery of the foreign currency on the settlement date of the transaction.
Negative target market statement	Not suitable for a customer that intends to use foreign currency transactions for speculative purposes.	
Appropriateness statement	NAB has considered that the product including its key attributes is appropriate for the target market including the likely objectives, financial situation and needs of customers in the target market.	

Distribution Conditions

<p>Authorisation This condition applies to all conduct</p>	<p>Condition 1</p> <p>NAB foreign exchange specialists must:</p> <ul style="list-style-type: none"> • hold the relevant accreditation to distribute the product • use only approved recorded channels to distribute the product for traceability, auditing, record-keeping and access control purposes • provide all relevant disclosures and information while reviewing and negotiating but before concluding a customer transaction, thereby allowing the customer to make an informed decision as to whether to transact or not, as evidenced through the Markets customer relationship management system • perform a check on any customer prior to dealing to determine whether or not there are any additional reporting/jurisdictional requirements due to that customer. <p>This condition is appropriate as it ensures NAB foreign exchange specialists are appropriately authorised to provide the financial product and will comply with the conduct, disclosure, "know-your-customer" and other checks.</p>
<p>General advice including Marketing This condition applies to general advice (including most marketing)</p>	<p>Condition 2</p> <p>NAB foreign exchange specialists must only provide general advice (such as marketing) if:</p> <ul style="list-style-type: none"> • a Target Market Determination (TMD) has been made and published for the product and has not been withdrawn • the distributor complies with the terms of the TMD for the product • the general advice is consistent with the consumer needs, objectives and financial situation defined in the target market for the product; • ASIC has not issued a Product Intervention Power restricting the publication of general advice for the product by the distributor. <p>NAB may provide general advice (such as marketing) as to the product through limited public channels such as:</p> <ul style="list-style-type: none"> • advertising available on specialist periodicals related to foreign exchange markets, specialist brochures and other marketing material available to the general public online and in NAB Retail Outlets as part of specific business service offerings • a NAB approved portal (such as internet banking) • in person communications through a NAB foreign exchange specialist. <p>This condition is appropriate as the target market is relatively narrow as the product is specialised.</p> <p>It is intended that these channels may be available to customers who may not at that time require this kind of product, for example because they are not presently involved in any transaction that requires foreign exchange-based risks to be managed. This is because the issue of the product is subject to Distribution Conditions 1, 3, and 4 which will ensure that the product is only issued to customers for whom it will be appropriate.</p>
<p>Retail product distribution conduct (other than General Advice) These conditions apply to all retail product distribution conduct that is not general advice</p>	<p>Condition 3</p> <p>A NAB foreign exchange specialist must only engage in retail product distribution conduct (other than general advice) if:</p> <ul style="list-style-type: none"> • a TMD has been made and published for the product and has not been withdrawn • NAB complies with the terms of the TMD for the product • ASIC has not issued a Product Intervention Power restricting the distribution of the product; and • NAB has complied with Condition 4 <p>NAB must only engage in retail product distribution conduct through:</p> <ul style="list-style-type: none"> • a NAB approved dealing portal (such as NAB Connect) or

	<ul style="list-style-type: none"> a NAB foreign exchange specialist. <p>This condition is appropriate as the target market for issue of this product is narrow, limited to those that understand foreign exchange products. It is also appropriate as NAB has distributed this product using these methods, with considered risk to customers.</p> <p>Condition 4</p> <p>NAB foreign exchange specialists must only engage in retail product distribution conduct (limited to dealing in the product) if they have identified:</p> <ul style="list-style-type: none"> that the distribution of the product is consistent with the needs, objectives and financial situation (defined in the target market for the product) are appropriate for a customer that the customer requires the product to manage an existing or contemplated foreign exchange exposure, or has received appropriate financial advice; and the customer (is not expected to) not use the product wholly or partly for any form of speculation. <p>This condition is appropriate as it requires NAB to confirm that the customer is in the target market.</p>
